TONY SUIT

CARGO FREFLY PANTS

Dual Wing Top

The trend is that Sky Surfers and Free Stylists are using a small wing for maneuverability. For early Sit Flying some schools use the Sit Wings to become familiar with the sit flying position. We also offer the baggie Free Fly jacket. As the Sit Fly student progresses with the jacket they can then jump just the legs to learn head down, and can then combine the two for Free Flying.

We can supply you with an extra ring and tape for you to sew to your harness
